The following items are required for the NCCER Welding course. These items are not included in the tuition price. An item with a star * indicates that the item is required for the first night of class.

- Welding shield - auto darkening with adjustments from #9 through #13 shade lens

- #5 Shade cutting goggles

- Safety glasses - will need several throughout the course

- Leather welding gloves - mid arm length, approximately 4-5 pair for entire course

- Work boots - no shoes or sneakers

- Hat (cotton, no mesh)

- Leather or heavy cotton (Carhartt style) protective jacket

- NCCER Welding Textbook and NCCER Core textbook

- Writing materials - pen, pencil, paper
