

Chinese Cooking & Culture Series

Join Us

The Orange-Ulster Mandarin Chinese Program is excited to announce our upcoming Chinese Cooking & Culture Series which features traditional Chinese dishes made by our Mandarin Chinese teachers.

Who Can Attend

All families (students and parents) in our surrounding districts are welcome to join our live cooking sessions.

What to Expect

Prior to each session, dishes and ingredients will be posted on our Google Classroom so that families can purchase any necessary items. During the session, teachers will demonstrate how to prepare the dish and speak about Chinese culture.
